CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Summer Program Made Available

School children of the Pahokee-Canal Point area are being offered a wide variety of activities in the six-weeks' recreation and enrichment programs being sponsored by the County Board of Public Instruction, June 17-July 29, with registration scheduled for Friday morning, June 17.

The Band Instruction Program designed particularly for the study and practice of band instruments by beginners, will be held in the band building, with Bandmaster Robert O. Lampi to serve as instructor and director. Beginner classes will be held Mondays, Wednesdays and Fridays, from 10 a. m. to 12 noon; advanced student classes, Tuesdays and Thursdays, from 10 a. m. to 12 noon; individual and small group instruction, Mondays through Fridays, from 8 to 10 a. m. and 1 to 5 p. m. Students returning from vacations may enroll any time while the program is in progress and a few school-owned instruments are still available, according to Mr. Lampi.

Those enrolling in swimming classes will register at the pool in the City Park, where Cosch W. D. (continued on page 8)

Girl Scout Camps Scheduled Glades

Girl Scout Day Camps for troops of the Glades area are being held June 13-16 and June 20-23 at Pahokee, activities taking place at the Youth Center building and in the pine grove on the Lake Okeechobee waterfront across the levee at the rear of the center.

Mrs. Fred C. White of Belle Glade is in charge of registration for the camp which will also be open to girls who are not scouts. The fee for the eight days at camp is \$8 which covers all activity privileges, two cook-outs, cold drinks, health and accident insurance. The girls bring their own lunches, except on cook-out days, also raincoats and drinking cups.

Mrs. Ethel Johnson of Pahokee is serving as camp director. Mrs. Connie Lewis of Belle Glade is in charge of the Brownie groups and Mrs. Tris Hodges, also of Belle Glade, the "intermediate" groups. Mrs. Rita Sims of Pahokee directs the waterfront activities.

Activities include canoeing for the older girls, Indian lore for the Brownies and badge work of the Pioneer group.

Engineers Flag Is Atop City Hall

The flag of the U. S. Army Corps of Engineers is flying with the nation's flag atop the flagpole of the Pahokee City Hall this week in observance of the 185th anniversary of the establishment of the USACE.

The Army Engineers are being honored in this manner as an expression of appreciation by the community for the important part they have played in the development of the Lake Okeechobee area, according to City Clerk Patricia Batchelor.

Richlands Will Be Sold In Small Lots

Walter Kautz, president of the Everglades Farm Bureau, said yesterday that he was assured by the cabinet in Tallahassee on Tuesday of this week that Richlands, Inc., will be offered in 40 and 80 acre tracts at public auction in July. Mr. Kautz said he was assured also that the small plot idea would replace the idea of selling the acreage as a whole.

Sitting as trustees of the Internal Improvement Fund, the Cabinet decided to see what kind of offers small farmers could make. If their bids amount to an unsatisfactory deal for the state, the Cabinet said they would be rejected and bids would be taken on the entire tract.

The big problem is drainage. Bidders apparently will have to form a drainage district or else arrange with some existing district since it is considered unlikely that each farmer could handle drainage independently.

Minimum bid per acre was set at \$453 by the state board. The small plots will be sold at public auction, probably at the Glades Office Building.

Lions Of Pahokee Sponsor Boy Scouts

The heart of the Boy Scout Troop is the boys, the scoutmasters and the committeemen. But behind these we must have a sponsoring organization. Ours is the Lions Club and they have been for years. This organization has done a splendid job, always ready to give their assistance in any way possible. Coach Webb Pell is the Institutional Representative and can always be depended on to attend Troop Committee Meetings as well as Board of Reviews.

Our troop consists of the following: Ten registered committeemen, including our institutional representative; one registered Scoutmaster; one assistant Scoutmaster and thirty-five registered Boy Scouts. In the Eagle group we have two: Mike Watkins and Wayne Boynton. The Eagle goal is one that we are all striving for, the requirements are many but when you take it in steps up through all the ranks it doesn't seem so hard. The rank under Eagle is Life, which also has many requirements. In this Life rank we have five boys and they are: William R. Boe; (continued on page 8)

Mrs. Florence Keen Speaks At Banquet

Last Tuesday night, the Palm Beach County Democratic Women's Club gave a banquet at the George Washington hotel in West Palm Beach for all Democratic candidates. Mrs. Florence Keen of

MRS. FLORENCE KEEN

Pahokee and Canal Point, vice president of the club, gave the welcome which was broadcast on radio and TV.

Mrs. Keen's welcome met with hearty applause from those in attendance. It was as follows: "On behalf of the Democratic Women's Club of Palm Beach County, a hearty welcome to all. To our nominees here tonight, it is our happy privilege to assist you in carrying out the bold, new programs you will propose for this space age era. With new problems and new challenges, we are sure you will exhibit modern, strong leadership and legislation for our great state.

"And to you! Our television audience, we are so glad you tuned us in. We hope you enjoy our program. We would like to hear from you in care of WEAT-TV. We extend an invitation to join our Democratic Women. We sincerely thank WEAT-TV, and the sponsors who have given us the opportunity to bring you the Democratic Women in action."

Mrs. Alma Tarr Brown was the general chairman in charge of arrangements for the program which went off without a hitch.

41 Seniors Visit Nassau This Week

Forty-one members of the Pahokee High School Class of 1960 are enjoying a post-graduate trip to Nassau, B. L. this week. The group assembled at the high school early Tuesday morning and motored to Miami where they boarded the SS Florida for Nassau. They will arrive in Miami on the return trip Friday morning. The trip is being sponsored by the Senior Class room mothers. Accompanying the group as chaperones are Mr. and Mrs. Ernest Maxwell, Mr. and Mrs. R. T. Smith, Mrs. Oscar Chastain, Mrs. Joe Alderman and Mrs. Corley Watson.

New Subdivision Will Be Started in Pahokee

Several new homes in a subdivision just off Green Star Avenue in Vetville in Pahokee will get under way within the next 15 to 20 days, according to Keen Real Estate office in Canal Point. Financial arrangements have been made and a contractor chosen who will start work in the aforementioned time. It is planned to build as many as 80 new homes on the 16 acre tract if that many can be sold.

Rev. Osteen Is New Pahokee Pastor

The Rev. and Mrs. Clare S. Hall and children, Susan, Kenneth and Steve, moved this week from Pahokee to Largo, where he was assigned at the recent Florida Methodist Conference as pastor of the Largo Methodist Church, after serving as pastor of the Pahokee First Methodist Church for the past two years.

The Rev. T. C. Osteen of Sanford was named at the conference as new pastor of the Pahokee Church. He and his wife are moving into the Pahokee Methodist parsonage this week.

Prior to their departure, the Rev. and Mrs. Hall were honored at a reception at the church, with Mrs. Apelgren, WSCS chairman of local church activities, in charge of arrangements. Mrs. L. L. Shirley and Mrs. J. L. Tyson served at the refreshments table which was decorated with arrangements of yellow and white chrysanthemums. The honorees were presented with a gift of cash, Mrs. R. O. Johnson making the presentation on behalf of church departments and friends.

Good Power Service Described To Club

Paul Collier explained to Pahokee Lions at their Tuesday luncheon meeting some of the precautions electric power companies take to insure continuous service during times of emergency or to quickly restore the service should it be temporarily interrupted. He said large trees are the greatest threat to power interruption during windstorm in South Florida and listed a number of suitable shade trees that do not grow tall enough to interfere with utility lines.

It was announced the Pahokee and Canal Point Lions will sponsor a joint concession at the Fourth of July celebration at Pahokee Harbor. The Lions will sell watermelons, balloons and hot dogs.

Shelley Is Back For Another Year

The Rev. Robert A. Shelley, who has served as pastor of the Canal Point Methodist Church for the past year and a half, was assigned at the Florida Methodist Conference to return and serve as pastor of the Canal Point Church for another year. Dr. Burns Martin of Fort Lauderdale filled the pulpit at the local church Sunday in his absence.

Garbage Disposal Cost Up Pahokee

Garbage collection taxes were increased by the Pahokee City Council in regular session Monday night \$1.13 a month for commercial establishments and 25 cents a month for residences. It is estimated these increases will enable the sanitation department to operate without a deficit, last year's deficit being \$2,900, and collection charges are still in line with those of other municipalities. It was also voted that the person making the deposit on a water meter will be responsible for the payment of garbage collection taxes on all commercial or residential units served by the meter.

The Junior Chamber of Commerce in a letter to the Council went on record as favoring the proposal that the city work with the County Board of Public Instruction in the developing of the plot of land west of the football field for use as a baseball diamond, and keep the softball diamond at its present location in the City Park.

Councilman Joe E. Thompson was appointed to negotiate with Cleary Bros. Construction Co., who at the present time are enlarging ramps at the waterfront (continued on page 8)

Budget Requests Will Get The Axe

Paul Rardin, chairman of the County Commission announced Monday the board will begin its annual budget studies July 5th. Rardin indicated the coming sessions will see considerable paring of budget requests in the interest of economy and in an attempt to hold taxes as low as possible.

In other actions this week the commission:

Set July 5th as the date for the commission to start sessions as the board of equalization. The commission learned that the tax roll will not be ready at that time, but state law requires the commission to open its hearings on that date.

Heard that the final census count for Palm Beach County is 224,537, according to a report from the U. S. Department of Census.

Heard that the Trustees of the state II Board had made available 195 acres of land for expansion of the Glades Airport at Pahokee.

Voted to start dredging operation for additional park lands near the county Welcome Station at Jupiter.

Approved addition of a project to resurface Ocean Ave. in Boynton Beach to the board's secondary road program.

Approved an \$11,000 appraisal for Military Trail right of way—one section needed for four lanes the highway north of Four Points.

The appraisal will go to the state for approval and if given the green light, the commission will immediately start negotiations for closing the right of way needs.

Heard the speed limit had been revised for sections of Military Trail by the state road department and that a traffic signal at 45th St. and Military Trail had been approved by the state.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission agreed this week that an evaluation of rental rates for Palm Beach International Airport is advisable.

The board had under consideration, several requests for leases for airport space—some which were requests for rates less than had been set by the board.

County Commissioner Kenneth Foster, who heads the county's airport committee, said it was time the board reappraised its rates for rentals, possibly with a view to changing the structure to meet individual cases.

Foster used as an example, one lease request before the board—an industry which said it would move in if a low rental was granted. The firm would provide jobs for upwards of 100 employees. Foster said he believed it wise to negotiate this type of request to gain the economic benefits to come from the large number of employees.

In one action on airport leases, the commission gave tentative approval to a request from Palm Beach Aviation to move its fixed base operation from Lantana to Palm Beach International Airport.

The firm now operates a taxi and charter service, flight school, sales

agency and maintenance section at Lantana. Amove to PBIA, the firm said, would allow the agency to extend and increase its service to larger numbers of planes and customers.

The Lantana firm's proposed move brought objection from the Butler Aviation Corp., a fixed base operation now located at PBIA.

The commission noted, that in the case of all leases, final approval rests with the U. S. Engineers who have control of the field.

Board Studies Its Perplexing Problems

Two requests from water utilities firms seeking 30-year franchises from the county commission were delayed this week until the board has had an opportunity to confer with its attorney on its franchise provisions.

County Attorney Harry Johnston advised the county board Monday, to delay action on the two requests it had under consideration and further, not to approve any such franchises until all provisions of the matter could be studied.

Palm Beach Utilities and Lake Osborne Utilities were seeking county approval for 30-year franchises in order to present petitions to the state Railroad and Public Utilities Commission for establishment of rates.

The commission, after delaying approval, instructed its attorney to intervene in the state's hearing in an attempt to get the companies an extension of time for their appearance before the state commission.

The request from the Lake Osborne Utilities brought strong protest from the community's Civic Association which charged that the firms present operation is not satisfactory to residents of the area.

The Association's attorney asked the board to delay action until the firm brought its operation up to what the Association believed to be standards which the community deserved.

Similar protests were lodged against Lake Osborne Utilities at the commission's last regular meeting.

The commission suggested that the Association's attorney draft an operating agreement suitable to the group and in turn present the agreement to the utility firm for its consideration.

BIRTHDAY PARTY

Mrs. Herman Kautz entertained at the home of Mrs. Arch Blakey with a party for her daughter, Kathy, on her sixth birthday anniversary. The hostess was assisted with the entertaining by Mrs. Blakey and Mrs. T. L. Sellers. Kathy's classmates of her kindergarten class were guests.

It Was Barney All The Time—Not Bonny

Every now and then gremlins creep into a newspaper office and they either find their way into the type cases or do their devilment among the keys of a typewriter. Last week gremlins chose our 26 year old Royal typewriter to mess with, and we wound up with the name of one of our favorite youngsters who attends Canal Point grade school—Barney Cherry—receiving a citizenship award under the name of Bonny Terry.

If Barney was old enough to be a regular reader of The Everglades News we fear that he might have taken exception to the error since it sounds like some young lady might have received the award. Knowing Barney from the day he was born we know there isn't a thing about him that might cause us to make such an error. So, we'll mark that error up with one we made 20 years ago and say that it isn't such a bad record.

Mrs. Judy Norman Honored At Shower

Mrs. Judy Buchanan Norman, a recent bride, was honored at a party and miscellaneous shower held in the Sunday School building of the Canal Point Methodist Church Monday night. Hostesses were Mrs. Pope Sears, Mrs. C. L. Stewart, Mrs. R. T. Smith, Mrs. F. M. Wilson, Mrs. L. F. Turbeville and Mrs. James Miller. Miss Faith Sasser assisted at the refreshments table which was covered with lace over a pink cloth and decorated with arrangements of hibiscus blossoms.

BACK TO NEW HAMPSHIRE

Mrs. Florence Cummings has returned to her home at Concord, N. H., after spending several months with her daughter, Mrs. Osceola Uphigrove, and family, at Canal Point. She was accompanied by her granddaughter, Sandra, who joined her father, Osceola Uphigrove, and uncle, Elmer Uphigrove, at Weirs Beach where they are operating a resort restaurant this summer.

Three Delegates Named For Meeting

The Canal Point Methodist Woman's Society of Christian Service at the June meeting in the Sunday School building voted to send three delegates to the School of Missions at Florida Southern College, Lakeland, in July.

Mrs. James Miller reported the successful sponsorship by WSCS of a rummage sale to raise funds to go toward the purchase of furnishings for the new parsonage, which is now under construction.

Plans were completed for the sponsorship of a summer vacation Bible school. Mrs. W. E. Blackwell, president, presided at the business.

Mrs. J. P. Parker was hostess at the social hour following the meeting, during which the identities of those who have served as secret sisters for the past year were revealed.

Mrs. Ronnie Elliott and her mother, Mrs. George Burr, have returned to Winter Haven after a visit with Mr. and Mrs. Lee Wrotten in Pahokee.

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big handsome amounts. For instance, if you save \$10.00 a week, in just five years you'll have \$3,540.93 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today! Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest as current income, ask your bank about Series E Bonds, which pay interest monthly by Treasury check.

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save.....	\$5.00	\$10.00	\$25.00
Each week for 10 years and 8 months, save.....	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Remember, you can save any amount you want. For more information, contact your pay office or the nearest U. S. Savings Bonds Office.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

County employees will enjoy a long weekend away from their jobs over the Fourth of July. The county commission said Monday that the court house will close July 1 at 5 p. m. and will be open again for business on July 5th. The July 5th date was set for start of the county commission's budget hearing and also as the start for board of equalization hearings.

TO SPEND SUMMER

Mrs. Una Peebles of Savannah, Ga., arrived Saturday to spend the summer with her brother-in-law and sister, Mr. and Mrs. W. L. Boatwright, in Pahokee. The Boatwrights also have as guests this week Mr. and Mrs. George A. Hill of Orlando, and had as guests the first of the week her brother, Raymond Christian, and nephew and niece, Mr. and Mrs. H. W. Murphy, and family, all of Clewiston.

OFF TO THE WEST

Mr. and Mrs. O. B. McClure plan to leave the last of this month to spend the summer in California and Colorado Springs, Colo. They will be accompanied to California by their daughter, Miss Jane McClure, of Fort Lauderdale.

HONOR HOUSE GUESTS

Mrs. Nola B. Smith entertained at her home Tuesday with a card luncheon honoring Mrs. R. T. Jermy, Mrs. Florence Edward and Mrs. Grace Vanatta of St. Petersburg, who are the house guests this week of Mrs. Helen Schroder. Other guests were Mrs. Arch Blakey, Mrs. Marty Carstens, Mrs. Robert J. Schroder and Mrs. Helen Schroder.

CLASS REUNION

Pahokee High School alumni, Class of 1950, are planning a 10th anniversary reunion to be held in Pahokee on June 17.

Car Use By Teen Group Needs Study

ST. PETERSBURG — Parents who do not wisely regulate their teenager's use of the car are endangering his high school grades, his future and maybe his life.

This was the main finding of a comprehensive study undertaken to determine the automobile's influence on teenage behavior. Conducted by the Allstate Insurance Companies in cooperation with 30 selected high schools throughout the United States and Canada, the study throw a searchlight on the academic, driving and social habits of 20,000 junior and senior youngsters.

"The study leaves no doubt that it isn't the care but the control of its use that is important," Richard A. Parker, Florida regional manager of Allstate, declared. "Parents simply must realize the urgency of exercising more authority over their teenagers in the matter of how and when they drive."

Underlining the accident problem among youthful drivers, Allstate says their involvement rate is about twice as high as the average adult, and the average severity of their accidents is also considerably higher. Furthermore, most of the youngsters—not just a few—are involved in accidents.

The study points out that amount of car usage has a direct relationship to academic standing. Driving a car does not in itself have an adverse effect on grades, but when the use of the car is permitted to infringe on school work, serious problems develop.

The poorest students are those who drive their own cars, according to the Allstate study. Holding a job to support a car affected the teenager's attitude toward school. Of students spending \$6, or more per week on car support, only one per cent were A students, while those who spent \$3, or less the ratio of A students was four times as high.

More Tourists Is Always The Problem

ORLANDO — Cypress Gardens impresario Dick Pope presented what he called a "four-point program" to meet the problem of getting more tourists to Florida during a roundtable discussion called by Hotel Commissioner Richard Edgerton recently.

Pope's plan called for getting tourist-minded men appointed to the Florida Development Commission. He also suggested enlarging the tourist service bureau and producing a pictorial booklet of facts on tourism in Florida. Last point of his program was the drawing of more conventions into the state from the North.

The informal roundtable met to discuss the tourist development program in Florida and the 30 representatives of hotels, motels and chambers of commerce endorsed Pope's suggestions.

FRUIT AND VEGETABLE MARKETING COSTS IN 1959 SLIGHTLY LOWER

GAINESVILLE — Increased efficiency in distributing fresh fruit and vegetables in 1959 resulted in a reduction of marketing costs for the first time in nearly 12 years, according to a University of Florida marketing specialist.

S. E. Rosenberg, associate marketing specialist in vegetable crops with the Florida Agricultural Extension Service, says this was accomplished through some reduced hauling rates, improved containers, better labor efficiency, more direct procurement and expanded self-service.

Continuous and vigorous reappraisals of the current operations are necessary to keep up with rapidly changing trends, says Rosenberg.

He adds the need for improved layouts, labor-saving devices, increased worker performance, personnel improvement, and better recruitment procedures will become more acute as the cost-price squeeze intensifies.

Cape Coral Site For Boat Races

CAPE CORAL—Inboard Hydroplane Championships of the American Power Boat Association will be held here Aug. 26-28, marking the first time in history that this premier speedboat event has been held in Florida.

Connie Mack Jr., vice president of the Cape Coral developers, said the event will bring approximately 600 active participants to Lee County, including drivers, crew members, boating writers and their families.

Christian Science Group Of Canal Point

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read at Christian Science services this Sunday.
John's account of the healing by Christ Jesus of the man who "was blind from his birth" (ch. 9) will be included in the Bible readings.
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (539:27-30): "The divine origin of Jesus gave him more than human power to expound the facts of creation, and demonstrate the one Mind which makes and governs man and the universe."
The Golden Text is from Nehemiah (9:6): "Thou, even thou, art Lord alone; thou hast made heaven, the heaven of heavens, will all their host, the earth, and all things that are therein, the seas, and all that is therein, and thou preservest them all; and the host of heaven worshippeth thee."

Conventions Draws Hundreds To State

TALLAHASSEE — The Florida Development Commission says nearly \$59-million was spent in Florida during 1959 by delegates attending conventions held in Sunshine State cities. The money was spent by 550,000 people attending state, regional and national conventions, according to a recent survey.

Conventions have become a booming part of Florida's economy and meetings of national importance are on the increase. A total of 690 national conventions were held in the state in 1959 as against 624 during 1958.

Early bookings for 1960, according to commission spokesmen, show nearly 1,500 conventions slated in the state with an estimated 638,000 people expected to attend.

PURCHASE HOWELL HOME

Mr. and Mrs. Roland Kahle and daughter, Ruth, have moved into the A. Q. Howell residence north of Canal Point, which they recently purchased. Mr. Kahle is mathematics instructor at Pahokee High School. The new home of Mr. and Mrs. Howell, who had been residents of Canal Point since the pioneer days, is in Immokalee.

Plans Announced Collins Wedding

Plans have been announced for the wedding of Miss Corrine Collins, daughter of Mr. and Mrs. L. Minter Collins of Pahokee, and Lt. Martin William Cary, Jr., son of Col. and Mrs. Martin William Cary of Marianna, which will be an event at the Pahokee First Methodist Church Sunday, June 26, at 4 p. m. The vows for the double ring ceremony will be read by the Rev. Wayne Owens of Jacksonville.

For her attendants Miss Collins has chosen Mrs. James Costin of Orlando, a cousin, matron of honor; the Misses Annette McIntosh, Jeanine Mock and Kay Friend, all of Pahokee, and Miss Shelia Cary of Marianna, sister of the bridegroom-elect, bridesmaids. She will be given in marriage by her father, Lt. Robert Burns, a classmate of Lt. Cary at the U. S. Military Academy, Class of 1960, will serve as best man. Ushers will be Michael and Steve Cary, brothers of the bridegroom-elect; J. V. Thomas, Jr., his cousin; and Lewis Collins, brother of the bride-elect.

Mr. and Mrs. Collins will be hosts at the reception following the ceremony at their home, 355 Banyan Ave. No formal invitations are being issued locally, but all friends of the couple are invited to both the wedding and reception.

Bathing Beauties Galore At Sarasota

SARASOTA — The state's West Coast features two of the favorite pastimes for summer vacationers. It's watching bathing beauty contests, fishing famous waters and the added incentive of fabulous prizes for just angling.

In the beauty division, the Miss Florida Pageant of 1960, June 23-25, is a top summer event for the Sarasota resort area.

Lovely and talented girls from every section of the Sunshine State will gather to compete for the coveted title, Miss Florida of 1960.

The event closely follows the format of the Miss America Pageant. Preliminary competitions in swim suit, evening gown and talent take place in Sarasota's municipal auditorium the evenings of June 23 and 24. Finals, coronation and the gala coronation ball is set for Saturday evening, June 25.

On the piscatorial side, the 15-week Sarasota County International Tarpon Tournament, now in its 30th year, already is in progress with a long list of awards totaling \$38,500 for successful angling.

First tarpon of the year was hooked by a Sarasota, 134½ pounds, after a running battle in the Gulf of Mexico.

The 36-hour Fishethon follows the Tarpon Tournament, Aug. 20-21, to determine top winners. Featured this year are conservation awards with weekly prizes and trophies for the largest tarpon caught and team competition.

OFF TO SOUTH CAROLINA

With the close of school Mrs. Jack Phillips and children plan to join Mr. Phillips at Fairfax, S. C., where he is operating a plane crop-dusting service through the summer months.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3% compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Wayne Ludlam; Roger Simonson; John C. Vandegrift; and Jimmy Vandegrift. Next is Star and in this group we have six boys: David Beede; Bruce Boynton; Joe Graham; John Pell; Skeets Boe and Mead Maxwell. Now First Class which also has six boys: Eugene Cooper; Harry Cunningham; Dennis Martin; Charles W. Pell, Jr.; Billy M. Sheffield and John Robbins. Then comes Second Class and in this group six boys: Michael Aubrey; James Crauswell; Buddy Olson; Cal Spooner; Jim Tyson; Dorsey Thompson. Now the first rank of Tenderfoot and we have four of these: Joe Hutton III; Bill Irla; Eddie McHenry; Michael Sanders. Now this first rank of Tenderfoot, which seems a long way back after you reach Life but at the time it was so important. You are scared to death at that first Board of Review, your knees knock, but after it is over you wonder why you were so scared. Mr. Simonson, the chairman is the same fellow you waved to on the street yesterday. Coach Pell didn't scare you a bit at school nor did Mr. Hugo Boe when you saw him around town but somehow they look different sitting on that first Board of Review. Last but not certainly not least we have six registered candidate scouts who are working towards that first rank and they are: Ronnie Bracewell; Jimmy Holman; Kenneth Jinright; Ray Jinright; Louis D. Magnett and Glenn Stewart. See you boys at the next Board of Review to get your first rank.

intake pipe farther out into the lake, for use of its dredge to dig a boat slip connecting with the launching ramps at the waterfront the cost not to exceed \$200. Other proposed work by the dredge for improvement of harbor facilities, recommended by the Chamber of Commerce, was not approved by the Council because funds for this work were not set up in the current budget.

It was voted to change the traffic light at the intersection of Barfield Highway and East Main St. from a stop light to a caution light through the summer months.

The occupational license fee for a coin-operated laundry, a new business that recently opened at the corner of Bacom Point Road and Rardin Avenue, was set at \$35 a year.

The Council voted to invite Curtis Chase, manager of the Florida Power and Light Company, to appear at the next meeting for a discussion of the radio antenna which was installed at the top of the city's water tank on the State Market Road for use by his company.

Two Students Write Original Poems

Two graduates of the Pahokee High Class of 1960, Samille Latham and Blanchard Branch, wrote original poems that were accepted for publication in the National High School Anthology of Poetry, according to Mrs. Phara Morris, member of the PHS faculty. Each will receive a certificate of award from the NHSAP.

Mr. and Mrs. L. M. Collins had as guests over the weekend her sister, Mrs. Latimer Farr of Wauchoula and nephew and niece, Mr. and Mrs. Latimer Farr, Jr., of Ocala.
